

# I-215 / Holland Road Overpass

## ASPHALT PAVING OPERATION

1 Saturday and 2 Sunday, September 21-22

Monday thru Wednesday, September 23-25

Daily from 7 am to 5 pm

WORK

The contractor will undertake the process of grinding and installing the initial layer of asphalt, followed by the final layer of rubberized asphalt, on Holland Rd between Haun Rd to Hanover Ln.

EXPECT

Expect the following:

- Expect to see large trucks on the following streets:
  - Exiting on I-215/Scott Rd and I-215/Newport Rd.
  - Traveling on Haun Rd, Antelope Rd, Albion Ave, and Hanover Ln to access Holland Rd.
  - Drive with caution throughout the project area and allow extra time to reach your destination.
- The schedule is subject to change based on weather, or unexpected events.

Overnight (weekday) lane closures are expected. A separate notice will be sent out with details about the freeway closures.

### 1 SATURDAY

Place initial layer of asphalt.

### 2 SUNDAY

Place initial layer of asphalt.

### MONDAY-WEDNESDAY

Place rubberized asphalt.

**TRAFFIC DELAYS ARE EXPECTED**
